BUSINESS GRAND OPENING.....

**Express Electronics
Business Grand Opening
Saturday December 3, 2011
11am – 12pm
Refreshments provided**

LOCATION: 254 Victoria St. Tweed, Ontario

Express Electronics by Cash Express will open its doors to the public on Thursday December 1, 2011, and will be holding a celebration of its business launch. Visit us to see the new store, our expanded offerings, and learn about our new services.

Express Electronics carries a wide variety of electronics, computer accessories, is a full line Bell authorized retailer, and takes passport photos. Jamie DeMarsh is an active member of the Tweed community (Kiwanis Club, Recreation Committee, and Chamber of Commerce) who has been raising a family and operating Cash Express in Tweed for twelve years. Over the years Jamie has paid attention to his customer's wants and needs and has tried to accommodate. The new store and business is designed around what his regular customers and tourists want and need. Jamie is able to compete with big box store prices through the purchasing power of a large buying group to which he is affiliated.

This is another great step towards the Economic Development of Tweed. An expanding selection of Electronics will enable more people to shop local as well as fill an empty storefront on Victoria Street.

Come join Daryl Kramp (MP), Jo-Anne Albert, media, friends and family for the Grand Opening of Express Electronics, right before the Santa Claus Parade!
