Erin Palmateer Dedication

The Community Pool is a memorial to Erin Palmateer, a 24 year old young woman who had, in her short life, touched the lives of many individuals in a positive and joyous way. Erin was very active within the community; she was a friend, a volunteer, a leader and a strong individual who always strived to achieve her goals and helped many others to do the same.

Erin was an avid swimmer and provided swimming instructions to many children in the community in her family pool. Friends and family came together to conceive an undertaking which would remain as a lasting and worthy tribute to her memory. The concept of an outdoor community swimming pool seemed a fitting tribute to Erin. With the help and support of the Municipality of Tweed Council, the YMCA and several community members, the vision has now become a reality. Tweed is now proud to offer a swimming pool to people of all in ages in the community and surrounding areas.
